Hello From Tom

*I finally outgrew my house and had to start a website.
I am very excited.*

Now you, my patrons and students, can view a representation of my portfolio in just a few minutes—anytime. New images are added every week, so check back often. The site offers blogging so comments can be sent to me directly from the site. Orders and payments go through Paypal. If desired, Beavercreek area patrons may be eligible for reimbursement of shipping costs if local pickup/delivery is arranged in advance—just call or email me. *Also check out Tom's Art Schoolhouse and Festival Schedule pages.*

If there is something you'd like to see added to the site, a piece of work I've done in the past or something new, send a blog or give me a call.

I look forward to seeing you soon at my booth or at my site.
